

BARN OWL CAMP The Barn Owl is readily distinguished from other owls by its efficiency, unique shape, and color. The Barn Owl Camp by MossCreek captures this same spirit of unique shape and color with 3 bedrooms, 2 1/2 baths, including a master on the main level. A large story and a half vaulted Great Room with exposed timber trusses and an open Kitchen / Dining Room complete a dramatic interior. Exterior timber, log, and shingle detailing complete the feel of a modern mountain camp that sits lightly in the natural environment.
