

THE MALLARD The most familiar of all ducks, the Mallard has become synonymous with American lakes and recreation. The Mallard by MossCreek is designed to be a familiar and comforting design that speaks to the great American pastime of lake recreation. The exterior of the Mallard features stone and wood, porthole windows, arced "cellar vents", bark siding and even a paddle over the front porch. The interior features a main level complete with a Master Suite, an open kitchen-dining-great area with vaulted beamed ceilings, and laundry. The upper level of the Mallard features two bedrooms, bath and a study. Natural colors and materials make the Mallard a great home for Americas lake living.
