

**TRAILS END** Throughout history, the Trails End has referred to the worthwhile completion of an arduous journey. Whether by horse or by foot, the early pioneers carefully charted a course and followed it to its intended destination. The Trails End by MossCreek epitomizes this spirit of personal accomplishment. It features 3 bedrooms, 2 and 1/2 baths, including a master on the main level. A large story and a half vaulted Great Room with exposed timber trusses and an open Kitchen / Dining Room complete a dramatic interior. Exterior timber and board and batten detailing complete the feel of a worthwhile journey.
